

Custom Wine Tours

of the Pacific Northwest

T

his season Purple Smile Wines in beautiful historic Fairhaven Bellingham is launching the beginning of our luxury wine tours. Our 'top shelf' tours include trips to premier wine regions such as Walla Walla Wa, Woodinville Wa, and Willamette Valley Oregon, all of which are guided by industry insiders. These tours are like nothing else available...anywhere! Our catered tours include in-route wine tasting seminars with professional wine educators, mimosa and pastry breakfasts, barrel samples and walking tours of vineyards. They also incorporate up close and personal one-on-one time with wine makers in wineries that are otherwise unavailable to the public. Let us take care of everything as you tour in an oversized fully equipped luxury coach, nibbling on cheese and crackers, sipping on wine, watching movies or making new friends while we drive you to the door steps of some of the best and most exclusive wineries in the Pacific Northwest!

Jeff Wicklund, owner of Purple Smile Wines, will accompany the trips. Transportation provided by Bellair Charters.
